

Lead Instructors

Jason Mardirosian

&

John Gamboa

Jason Mardirosian has been a fire/arson investigator for the Chicago F.D. Office of Fire Investigations since 2000. He is certified by IAAI to teach Evidence Collection Technician and Basic Fire Investigation courses. He is an IAAI CFI, NAFFI CFEI and M-IAFI.

John Gamboa is a recently retired Bureau of Alcohol, Tobacco & Firearms Senior Special Agent/CFI after 32 years of service. He is a co-founder of the DuPage, Kane and South Suburban County Wide Fire Investigation Task Forces in the Chicago area.

Jason and John both have extensive background in fire/arson investigation. Both have qualified as expert witnesses in state and federal courts. They combine dynamic classroom and hands on exercises to help students understand the complexities of such investigations. They have taught fire and arson investigation courses across the U.S. and in other countries.

BASIC INVESTIGATION

For new investigators who have limited fire investigation experience, Jason Mardirosian and John Gamboa will lead the class through the lecture and hands on investigation techniques. ****This course meets the IAAI 40 hour Basic Fire Investigator course. You will learn:**

- * Scene safety
- * NFPA 921 and 1033 and their importance
- * Basic electrical systems
- * Fire dynamics
- * Scientific methodology
- * Scene documentation
- * Evidence recognition and collection
- * Legal aspects of fire investigation
- * Basic origin and cause
- * The 16 Job Performance Requirements from NFPA 1033
- * Conduct an investigation from start to finish

At the completion of the course, students will be able to test for the Alaska Fire Investigator Technician or Alaska Certified Fire Investigator once additional components are completed by student. **100% attendance is mandatory for testing.**

Reminder: Pre-requisites for Alaska CFI are Haz-Mat Awareness and AK FIT. Students that do not have pre-requisites completed prior to CFI test, AFSC will grant a one year window to complete to receive your official CFI certification.

To complete AK FIT requirements please go to:
